

CITY WIDE CLEAN UP DAY

MAY 16 and 17, 2025

PLEASE NOTE: We are continuing to streamline this process and make it most efficient for the staff picking up the items and the residents delivering the items.

FRIDAY, MAY 16th, staff will be going around Keystone picking up items that NEED TO BE PICKED UP. The resident must notify City Hall by May 13 by calling 319-442-3246 and leave a message with your name, address and item to be picked up. The item must be set out by 7am in the same spot garbage is set at.

SATURDAY, MAY 17th from 9am – noon the roll-off containers will be available (at the lagoon) for residents of Keystone to bring their junk to. The roll off containers will be available only during these times at the lagoon. The area is under surveillance so anyone illegally dumping will incur a \$750 municipal infraction.

Due to the clean up days, the yard waste dump will not be available that weekend.
